

## *Tuesday Tours At IDDI*

If you are interested in learning more about IDDI, then we urge you to sign up for one of our inspiring “Tuesday Tours”.

These one-hour tours provide small groups and individuals with the opportunity not only to learn more about IDDI, but also to meet some of the children and adults that we serve, while experiencing many of the programs and services that we offer. Many of our guests have told us that their tour was truly life changing and have become supportive members of the IDDI family. All have come away with a deeper understanding and appreciation for the incredible commitment that our staff have for their work and the people they support.

Whether you have extensive knowledge of our programs and services or have just recently discovered us, there is no substitute for experiencing our campus for yourself. Even if you have been here before, we would love to show you how we continue to grow, thrive and achieve!
